SUBJECT: Policy Letter #8: Wear of Platoon Sergeant Identification Badge

1. This policy letter applies to all Platoon Sergeants assigned or attached to the 15th Regimental Signal Brigade.

2. The Platoon Sergeant Identification Badge serves as an excellent means of identification, and will be worn in the following manner:

In the event a patch is already being worn on the left pocket of the ACU, the badge will be worn on the right breast pocket flap. If a Soldier has a badge on both pockets he/she will display the badge on left breast pocket.

b. When worn with the Class A uniform all male Soldiers will wear the badge centered on the left breast pocket. Female Soldiers will wear the badge centered on the left pocket flap.

c. When worn with the Class B uniform all Soldiers will wear the badge around their neck on a black lanyard that will be issued with the badge.

d. The badge will not be worn on the PT uniform.

3. The badge will be worn at all times while actively engaged in training Soldiers, and when identification is required in Dining Facilities, etc. The badge may be worn anywhere the duty uniform is allowed to be worn. It is permissible to wear the badge during graduation exercises.
