### ● Map and Location

Fort Gordon is approximately 142 miles east of Atlanta, 80 miles southwest of Columbia, South Carolina and 122 miles northwest of Savannah, Georgia. Fort Gordon is best reached via Interstate 20. Take Exit 194 to Belair Road and Dyess Parkway. Follow the Dyess Parkway signs, and also the Fort Gordon signs. Take note that the exit numbers on I-20 were changed in January 2000; Exit 194 may appear on some older maps as Exit 63. Also, if approaching from the east (from Columbia), you will see signs directing you to take exit 196A to reach Fort Gordon. Do not exit there, go on to Exit 194 instead. Dyess Parkway will bring you directly into the post through McKenna Gate, also known as Gate 1.

Once you enter Gate 1, go straight until you come to the second traffic light, go straight through the light until you reach the "Towers" the only 10 story building on post. Parking is available across the street from the Towers Main Parking Lot.
