
LCMS OPERATOR COURSE

COURSE INFORMATION:

Course Title: Local COMSEC Management Software (LCMS) Operator Course

Course Number: 4C-F59/160-F39

Company: Charlie Company

College: Leader College for Network Operations (LCNO)

Division: Information Communications Telecommunications Defense (ICTD)

Status Change Date: November 2013

Training site: USASCoE&FG, Fort Gordon, GA

Length: 2 Weeks or 10 Days

Managed: Army Training Requirements and Resources System (ATRRS)

Prerequisites: Students attending the LCMS Course must possess the minimum of a SECRET Security

Clearance. The minimum rank or grade requirements for course attendance are the same as the

minimum grade requirements for appointment as a CAM and Assistant CAM mandated by AR 380-40,

Paragraph 2-2. Additionally, it is highly recommended prospective LCMS students first complete the

COMSEC Account Managers (CAM) Course prior to attending the LCMS Course. (NOTE: The CAM

course was previously entitled the Standardized COMSEC Custodian Course.)

PURPOSE:

442nd Signal Battalion - COMSEC LCMS

Last Updated: 30 March 2016

Provide formal course training on the characteristics and procedures required to operate the Local COMSEC Management Software (LCMS) workstation, and associated platform and ancillary devices.

COURSE SCOPE:

This course provides instruction within the Army Key Management System/Electronic Key Management System (AKMS/EKMS) architecture. Students are taught functions of the LCMS application, workstation hardware, and related systems and devices; the system's initialization and interface with other COMSEC management accounts; the automated processes to account for and manage COMSEC materials, to include ordering, generating, and distributing traditional and modern electronic COMSEC keys, conducting inventories, performing destructions, preparing and submitting reports within the AKMS/EKMS hierarchy, and performing other accounting and logistical procedures.

ATTENDANCE INFORMATION:

Course faculty cannot enroll students. All enrollments for the LCMS Course must be submitted via ATRRS by students' training/schools points of contact. Course dates are available at
