132nd Engineer Detachment

132nd En DET

Last Updated: 01 September 2016

The **132nd Engineer Detachment** is an **US ARMY ARCENT** subordinate unit. The unit serves as a Geospatial Production Cell (GPC) that provides accurate digital information from tactical to strategic level to support Theater Army operations in CENTCOM AOR. The 132nd Engineer Detachment conducts geospatial operational planning, analysis, and advises the Commander and Staff on geospatial operations in support of theater.
